MAMCD Membership

We appreciate your interest in MAMCD and welcome your membership!

MAMCD members have helped to contribute to the associations success and continues to support its annual events, which strive to enhance members professional skills and promote leadership within the field of counseling. Such events include:

- Workshop on working with the Transgender Community in February 2017
- MAMCD Conference April 2018 substance use disorder and opiate epidemic: A multicultural view of the crisis
- MAMCD October 2018 Fall Workshop: Breaking into private practice: For the minority professional counselor and strengthening the integrity of counseling professionals
- MAMCD April 2019 Conference: Straight Talk: Mental Illness in the African American family

We hope to accomplish even more this year, including offering an additional workshop and more opportunities for MAMCD's members. Join us for the annual Awards Ceremony and a Scholarship Award opportunity at an end of year. We couldn't offer these networking and skills building opportunities without the generous contributions and participation of professionals and students just like you!
